

**American  
Meter &  
Appliance**

Below is a list of laundromat prices for a wash and dry comparable to that provided by American Meter's laundry machines. It is arranged by county, town and sometimes neighborhoods. The survey was originally done July '08 through January '09. We have updated the western Washington prices for 2010. American Meter believes in the completeness of the survey but is not responsible for any errors or changes in price.
